# SU Policy

## **Gemenskap**

- Klubben är större än laget och laget är större än individen.
- Vi vinner, förlorar och kämpar tillsammans både på och utanför plan.
- Vi respekterar varandra och vår omgivning, hjälper varandra och arbetar tillsammans.
- Vi skapar delaktighet samt delger kunskap och erfarenheter till vår omvärld.
- Vi är stolta över vårt arbete och vår klubb.
- Vi arbetar för att barn och ungdomar ska få trygghet i en gemenskap.

## **Glädje**

- Vi ska vara en välkomnande och inkluderande fotbollsklubb som erbjuder positiva upplevelser.
- Vi vill inspirera människor att komma till oss för att tillsammans skapa upplevelser fyllda av glädje, spänning och förväntan.
- I allt vi gör och alla vi möter vill vi bidra med både glädje och energi.

## **Utveckling**

- Med starkt ledarskap på alla nivåer tar vi ansvar för vårt arbete, vår utveckling och vårt bemötande.
- Vi ser till alla barn och ungdomar, vi utvecklar inte bara fotbollsspelare utan också människor.
- Vi arbetar långsiktigt, har stark drivkraft och är tydliga i det vi gör.

# The training plan SUP-13

## Focus on FOOTBALL!

---

- Try to arrive on time, the children get to play off a bit before we start.
- During training, we would like to try to encourage order and order with just enough fun!
- If a player does not behave, we must remove the player from the field until the player has come to his senses.
- Great focus on football! nonsense must take place outside the field

# 7 players game this season!

- Play time 3x20 min
- Size of the boll 4
- Retreat line is used
- Goal kick is not allowed
- Offside is not used
- More information and more detailed explanations you can find in [www.svenskfotboll.se](http://www.svenskfotboll.se)

# League games season 2023

---

- **Parents at the match. Always stand on the other side of the pitch! Support and encourage your own team. We leaders give instructions and coach, not the parents. This is to avoid double messages.**
- **We will play with 3 teams. Two in B-level and one team in C-level. If necessary, we will borrow players between the teams. We do this to promote the development of all individuals.**
- **We will divide the players into fixed teams. This only applies to matches. In training, we're ONE team.**
- **We will divide the players into new teams after about 5 rounds. Evaluation will be made to find the best conditions.**
- **Each team will be about 15 players. All players are called up. For some matches, some player will have to stand over. The starting point is that we are 10-12 players for every game.**
